Local Car Show Raises over \$4,000 for the Make-A-Wish Foundation® of Oregon

Tualatin, Ore. — The Sizzling Summer Car and Hot Rod Show, hosted by Tualatin Haggen, raised \$4,272 for the Make-A-Wish Foundation® of Oregon on Sunday, August 12.

The event began at 9 a.m. with cars of all makes, models, and years registered and displayed for the public. Awards and prizes were given out in a number of categories.

Nicholas, a local Sherwood wish kid, had the honor of judging, based on his own criteria, and then presented the "Make-A-Wish Choice" Award for his favorite hot rod.

"I hear only GOOD things about our Make-A-Wish show and have the same people come year after year," said event organizer and car enthusiast Karen Koch.

Car lovers perused the marvels of modern and classic transportation while enjoying street vendors, food carts, a raffle, and a silent auction.

The Make-A-Wish Foundation® grants the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength and joy. For more information about the organization, please visit www.orwish.org or call the chapter office at 800-934-WISH.
